

National Spanish Examinations Junior Travel Scholarship

Pursuant to its mission, the National Spanish Examination (NSE), a program of the American Association of Teachers of Spanish and Portuguese (AATSP), is committed to recognizing student achievement and promoting language proficiency in the study of Spanish. To this end, NSE will offer travel abroad scholarships to Costa Rica July 10-16, 2023.

Study Abroad Scholarship Description

Each year the Junior Travel Study Abroad/Away Scholarship provides eligible students the opportunity to travel to and study the language and the culture of a Spanish-speaking country or territory. During the summer of 2023 students will be travelling to Costa Rica with [United Planet](#). This “Travel Quest” is fun, educational, and winners will be performing volunteer work with the Santa Elena Cloud Forest Reserve in Monteverde. The project combines conservation, ecotourism, and education. Students can also receive *volunteer service credits* at the end of the trip!

The award includes flight (\$400.00 reimbursement), local transportation, tours, meals, and insurance. Your group will stay at a local hostel in San José upon arrival and at departure, and will stay with verified host families in the Monteverde community. Living with host families is a great way to immerse in the local lifestyle, while also practicing Spanish! A maximum of 5 people may be placed with each family. The tentative itinerary (attached) is subject to change.

Winners will also have the opportunity to receive university credit! Information is located under the sample itinerary. *This opportunity is optional. As such, any associated expenses and/or duties may be pursued at the expense of the attendee.*
