A lifetime of
Fun in a
Summer of Language Immersion.

Testimonials:

"I really enjoyed my time at El Lago del Bosque at Concordia Language Villages! It was an incredibly immersive experience filled with learning about Spanish language and culture while having tons of fun."

"I greatly enjoyed getting to practice my Spanish-speaking skills. Also, it was interesting to learn about the culture of Latin America in my Tertulias classes and during our delicious, authentically Latin meals! The most unforgettable part of camp for me, however, was forming new and hopefully long-lasting friendships."

"En todo, mis experiencias en el Lago del Bosque eran inolvidables y son de gran importancia en mi vida. Aprendí muchísimo español, hice nuevos amigos, y mejoré mis perspectivas del mundo entero y de culturas hispanohablantes."

"My experience at camp was dynamic and engaging, and I am very thankful that I was able to win the Global Citizenship scholarship and attend this wonderful program."

"Because of this great environment, I was able to overcome my nervousness in speaking Spanish. With my nerves gone, I was able to learn new things about the language and improve my level of speaking."

"I learned so much, improved my Spanish skills, and had the time of my life! I am so incredibly grateful for this experience!"
