Terms as defined by the National Spanish Examinations

Virtual School – an institution in which student services and courses are conducted through Internet technology. The virtual school differs from a traditional “brick and mortar” school through the physical medium that links administrators, teachers, and students.

NSE Administrator – the person at the virtual school who coordinates registration, test administration, and dissemination of test results.

Proctor – the teacher, counselor or administrator at a school who administers and monitors the student(s) taking the examination(s).
